GUIDE**

# Believe in the Vision. Invest in the Process. Experience the Moments.

## **VISION STATEMENT:**

The Purple Circle is the foundation of Central Arkansas Athletics, providing critical support to our athletic program. As our official annual fund, The Purple Circle is in a constant pursuit to achieve our goal of providing a first class experience to our student-athletes.

## LETTER FROM THE DIRECTOR OF ATHLETICS

### *Bear Nation,*

As I look back at the 2024 Purple Circle membership year, I do so with extreme gratitude for the continued support and dedication of our Purple Circle members. The generous support provided serves as a consistent reminder to the impact that our Purple Circle supporters have on our programs. It is through this support that we are able to enhance the critical resources needed for our student-athletes, coaches, and programs to succeed both in the classroom and in competition.

The 2024 membership year proved to be one of the more challenging years in collegiate athletics to date. In a year dominated by uncertainty and the ever-changing landscape of collegiate athletics, the need for financial resources has grown ever more apparent throughout the college athletics industry. As you read more each day about the financial constraints and implications being faced by other institutions at all levels of college athletics, donors all over the country are now being tasked to support more so than ever and through a variety of new outlets. And while the news being reported on behalf of the majority of these other schools largely shines a negative connotation, I can proudly acknowledge that you, our loyal supporters, more than did your part to provide support to a primary area of need for our athletics department.

As a reminder, your giving to the Purple Circle does far more than simply balance the budget. Giving to the Purple Circle directly supports the resources needs of our department, and student-athlete experience of all 19 Central Arkansas Athletics programs. As we look towards the 2025-26 year ahead, I encourage you to once again consider making a contribution to the Purple Circle. For more information on the Purple Circle, as well as additional things going on within the program, we cordially invite you to explore the 2025 membership guide. Whether an alumni, parent, ticket holder, fan, or friend of the university, any investment you provide goes a long way toward enhancing the resources and opportunities for Bear and Sugar Bear student-athletes. We hope that you choose to not only renew your gift, but also introduce others to the opportunities provided by becoming a Purple Circle member. Please take a moment to look into the various membership levels offered and consider making a contribution today at whichever level resonates most with you. For any further questions or to join today, visit [ucapurplecircle.com](http://ucapurplecircle.com) or reach out directly to one of our athletics development staff members listed on the back page of the 2025 membership guide.

*Thank you for leading the way and for your continued support of  
Central Arkansas Athletics! Go Bears and Sugar Bears!*

## LETTERMEN'S CLUB

The UCA Lettermen's Club (UCALC) is our athletic alumni group committed to the well-being of UCA student-athletes. Membership in the UCALC is open to any former University of Central Arkansas student-athlete. A UCALC member will be considered active and receive the benefits listed below by contributing the one-time membership fee of \$50.

Benefits of becoming a UCALC member include an exclusive UCALC lapel pin, invitations to UCA Athletics events and functions, and 50% off of your Purple Circle membership! It is important to note that the UCALC is our athletic alumni group and the Purple Circle is our athletic fundraising arm. A membership in one does not constitute a membership in the other; however, members of the UCALC are eligible to receive 50% off of Purple Circle membership benefits by committing an annual gift to the Purple Circle as well. Take advantage of this outstanding perk for UCA Lettermen by joining both today! To join the UCALC, please go online to [ucasports.com/lc](https://ucasports.com/lc) or call the UCA Athletics Office at (501) 450-3150.

## YOUNG ALUMNI

All graduates of the University of Central Arkansas under the age of 30 are eligible to receive 50% off of their purchase of reserved season tickets for football, basketball, and baseball, as well as a 50% discount on their Purple Circle membership. A Purple Circle membership is required for reserved season tickets. Please refer to the benefits chart on page 6 for the minimum donation requirements.

## WAYS TO SUPPORT:

### ANNUAL FUND

There is no better way to directly impact the current and future state of UCA Athletics than by joining the Purple Circle and committing to an annual donation. The sole purpose is to create a premium student-athlete experience for all Bears and Sugar Bears, by helping offset some of the Athletic Department's biggest expenses: scholarships, facility upgrades, and student-athlete programming. Annual donations can be made payable via cash, check, or credit card. You may also make a pledge in monthly, quarterly, or semi-annual installments. These installments can be drafted directly from your bank account or credit card. The option to pay through UCA Payroll Deduction is also available for UCA employees.

### ENDOWMENTS

Establishing an endowment, whether operational or scholarship, provides funding for future UCA student-athletes and provides an enduring stream of income for UCA Athletics.

### LEAVE A LASTING LEGACY

#### PLANNED GIVING

Leave a lasting legacy by remembering UCA Athletics in your estate planning. A planned gift can pay dividends that leave tomorrow's University of Central Arkansas Department of Athletics a place of sustained competitive excellence, educational opportunities, and lasting tradition. There is a planned gift for every circumstance that provides distinct benefits for you and UCA Athletics.

### CAPITAL GIFTS

Capital gifts are gifts made outside of your annual fund donation and address specific needs of the athletics department.

### GIFT IN KIND

A Gift-In-Kind donation consists of donated services or items that would normally be purchased by the UCA Athletic Department. Examples of Gift-In-Kind donations include food and beverages, athletic equipment, lodging, printing, transportation, and much more. The value of each contribution is credited at the equivalent Annual Giving Level and qualifies the donor for benefits at that Annual Giving Level.

### MATCHING GIFTS

You may be able to double or even triple your gift to UCA Athletics with a matching gift through your employer. Visit [uca.edu/go/MatchingGifts](http://uca.edu/go/MatchingGifts) to learn more.

### SPONSORSHIPS

Interested in promoting your business through UCA Athletics? Get in touch with our UCA Sports Properties sponsorship team for more information about our sponsorship opportunities at (501) 450-3219.

### SHOW YOUR SUPPORT IN THE STANDS

#### SEASON TICKETS

Home field advantage is vital for all of our 19 programs! Join us at Estes Stadium, the Farris Center, Bear Stadium, and Farris Field for all ticketed sporting events as well as other UCA non-ticketed venues to show support for our student-athletes. For season ticket information, see pages 8-11, or call the UCA Athletics Ticket Office at (501) 852-2234.

*"Ever since my family moved to Conway in 2008, UCA football has been a part of my life. I've been a Bears fan for a long time, as I spent many Saturdays in the stands cheering them on. Some of my best memories were made at Estes Stadium, celebrating my birthday under those lights and hanging out at the old UCA kids club. Living just 20 minutes down the road made attending UCA an easy decision. I had plenty of opportunities to play elsewhere, but at the end of the day my heart was at home. UCA had always been part of my story, and I realized it was exactly where I was meant to be. The chance to represent the Bears, in the town that shaped me, was something I couldn't pass up. Some paths come full circle, and for me, there was never really another choice."*
